ABOUT THE **CONFERENCE**

The **Pan Arab Anesthesia Conference 2025**, organized in collaboration with the Pan Arab Federation of Societies of Anesthesia, Intensive Care, and Pain Management (PAFSA), is taking place at the **Movenpick Grand Al Bustan in Dubai, UAE**, on **June 20, 21, and 22, 2025**. This major regional event is bringing together anesthesiologists, intensivists, pain specialists, and other healthcare professionals involved in anesthesia, pain management, and critical care from across the Arab world and beyond. The conference serves as a platform for knowledge exchange, professional development, and collaboration in the fields of anesthesia, pain management, and critical care medicine.

WELCOME MESSAGE

Dear Esteemed Friends and Colleagues,

We are ecstatic to extend our warmest welcome to the medical fraternity to the **Pan Arab Anesthesia Conference 2025**.

Over the course of the 3 days at the Pan Arab Conference, we aim to bring together anesthesiologists, pain management specialists, researchers, technicians and allied healthcare professionals under one roof, to interact with the regional Key Opinion Leaders through the various talks and sessions.

You can also understand the latest advancements in the field of Anesthesia and Pain management, with the participating industry partners at the exhibition, and delve into a more hands-on approach through the medium of our scientifically crafted workshops.

As we come together, we look forward to engaging discussions, groundbreaking research, presentations, and meaningful networking that will shape the future of our field.

We believe this conference will serve as a vital forum for comprehensive exploration of all aspects of pain and anesthesia management advancing patient care and contributing to a healthier future.

Make the most over the next 3 days and welcome once again to each and every one of you at the **Pan Arab Anesthesia Conference 2025**.

Warmest Regards,

Dr. Mansour Nadhari

Chairman of the Conference
